To Do

Sharing God's love and truth with everyone is a big job. But each of us can make a difference. Let's do an activity to show how "we" is so much bigger than "me!"

1. **Give** each kid a paper hand and **place** markers where kids can access them.

Say: Think about the talents, interests, and abilities God has given you. Draw something on this hand that shows how or where YOU can join with God to help spread His truth and love to all His kids!

2. Kids **draw** ways they can join with God in His work on earth on the hand. Ideas: *A talent or hobby they can share; their own neighborhood, family, or school; etc.*

3. **Tape** hands together to create a chain from your group.

4. **Tape** chains from all groups together and hang on wall using sticky tack provided. Combine your chain with any existing chains. Leave hanging all weekend.

5. **Celebrate** and enjoy looking at this representation of what a big difference each of us can make together!

4. Video (video on www.voyagechurchmtl.com/teachers)

5. Discussion

Point: Share God's Word with everyone. Pass it on!

Verse: John 8:12 NLT ...

"I am the light of the world. If you follow me, you won't have to walk in darkness ..."

Choose a Question to Get Your Group Talking

- There are over 7,000 amazing languages people use to communicate. How many languages can your small group name?
- What would you tell someone who asked, "What is Bible translation?"
- How is it helpful for a person to have the Bible in their own language?
- What do you think a kid can do to help a big project like Bible translation?

6. Closing Prayer

- **Ask** kids what they'd like to talk with God about.
- **Lead** prayer or help kids **pray** for each other.
